Testimonies of Jurifax Clients

"Yesterday, I ordered a contract for services which is extremely well drafted and very complete. The explanatory notes found in the user guide provide an excellent checklist! I recommend this site to all legal advisors!"

Hélène Maillette, attorney, Chambly QC, Canada

"Excellent purchase value compared to similar products available in France (very few). The Jurifax solution fully satisfied me."

Gilbert Estavoyer, COO, Estavoyer SA, Chatou, France

"This is the first time that I ordered anything from Jurifax. You had exactly what I needed."

A. Savicki, Pawtucket, Rhode Island, USA

"The Jurifax products are good, indeed even very good."

B. Caire, Arles, France

"Our company has purchased several products from Jurifax and have been consistently surprised at your superior service and the quality of your products. Jurifax products have offered our small business a simple and inexpensive way to legally protect ourselves. Your service is so easy to use - I tell everyone I know in business about you! Keep up the great work."

Kerri Groves, Client Connect Plus, Burnaby, British Columbia, Canada

"I already purchased both the internet use and e-mail policy and they are terrific."

Robert Turchan, Pride Collision, Santa Clarita, Californie USA

"Thanks for the contract! Your service is exceptional. Jurifax is one of the best products I have used on the Net."

Louis Conrad, Publicim, Montreal, Canada

"You really have very good contracts and are very fast to reply (very good service). Congratulation. More companies like yours are needed in this cyberspace."

M.H., Rochester, MI, USA

"I am working in the marketing and customer service field. As far as I am concerned, I have rarely seen a company with such a swift and courteous reply to its customers' queries. I have recommended your site to some of my clients. Should I have this opportunity again, I will be glad to do so and promote the quality of both your products and your customer service."

Jean-François Lavigne, Vercasso Web Design, Montreal, Canada

"I accidentally discovered your Web site and I must congratulate you for it. It is "clean cut", well built, easy to navigate, rapidly downloaded, your products are interesting (for business people like me) and your marketing is excellent. In a word: BRAVO!"

Hélène Fisher, Ariane Information, St-Luc, Canada

"Let me congratulate you for your prompt quality service."

Bernard Laquais, Pierre FABRE SA, Castres, France

"We purchased your computing contract services agreement and are very satisfied with it. Thanks for making this service available to small business."

K.G., British Columbia, Canada

"I think that your site is great, and moreover very helpful."

S.R.

"I'm finding the contracts very helpful. While I need to make numerous changes to conform to my client's needs and state contract and trade secret laws, the contracts do an excellent job of identifying all the technical issues and breaking out the nature of the myriad of Internet Website services. The contracts are very useful in getting my client to understand just how complicated and important Website services can be and how picking a competent provider of services is critical to his business. Thanks again."

B.S., Attorney, Illinois, USA

"We have just purchased one of your documents and like many others that we already have, we are fully satisfied."

Isabelle Plante, Administrative Assistant, Cossette Interactif, Montreal, Canada

"Having consulted the documentation you have sent me, may I say that I am very pleased with your products. Be assured that our company will transmit your details to anyone who will in the future require that type of service."

Daniel Robert, PDG, Médicon inc., Marieville, Canada

"I have bought some of your products on the Internet... and I must say that I am very pleased with the results. I also want to congratulate you for the quality of your on-line service."

Stéphane Lajoie, Director General, Agricom, Alma, Canada

"First of all let me congratulate you for your website which is clear, simple and informational. I already found part of my happiness there."

Jean-Yves Dumont, Solvay Business School, Bruxelles, Belgique

"Very, very interesting and mostly well thought-out and useful."

M.M., France

"You offer a good quality service, very practical, quick, and affordable. Thank you."

G.D.L. , France

"I ordered many contracts from you. I found them to be very helpful. Congratulations for your imagination and efficiency."

Christian Navarre, NCD A Consultants Ltd

"... I think your concept is wonderful. I became familiar with your products two years ago thanks to an advertisement you sent by fax. I have used your services and was satisfied."

Stéphane Courchesne, Gatineau, Canada

"Your service is a blessing for small businesses."

Warren Lampitt, Gretmar Communications Inc., Timmins, Canada

"I wish to congratulate you for the design of your Web site and for the quality of your products."

Michel Bilodeau, President, DirectVox/Stratos Multimedia, Montreal, Canada

"I salute your practical and simple initiative in rendering various models of legal documents available to all our Adm.A, and CMC colleagues, as well as to the small and medium sized businesses and industries. I congratulate you further for having simplified and demystified these legal documents. What is even more remarkable is that you have rendered this information available... Bravo and congratulations, and I wish you much success in this beautiful endeavor. You can rest assured that we support you."

Serge Saulnier, Vice-President and Director General, Services Conseils Intégrés

"Your service is very much appreciated by our company. Thanks to Jurifax, writing the first draft of our business documents and contracts is simplified and economical. This service... assures us instant access to models of principal documents no matter where we are. Furthermore, we save on both translation costs and delays. Thank you to your entire team."
