documentation as well as the texts, drawings, icons, images, graphics, pictures, charts and other elements provided by the Client in accordance with the Specifications (hereinafter collectively referred to as the "Information Elements");

- the coding of the Web Site pages (hereinafter collectively referred to as the "Web Pages") and the programming of the required software components including, where applicable but without limitation, the scripts, applets, applications, programs, executable files, software, search engines, database management engines and multimedia components (hereinafter collectively referred to as the "Software Components");
- the Web Pages visual design, including the graphic and infographic design of texts, drawings, icons, images, graphics, pictures, charts and other elements required according to the Specifications (hereinafter collectively referred to as the "Graphic Elements");

- c) to carry out testing on the Web Site;
- d) to install the Web Site on the Web server indicated in the Specifications (hereinafter referred to as the "Web Server");
- e) upon signing by the Client of a detailed acknowledgement of receipt, to provide the Client with the information and documentation regarding the Web Site, including, without limitation, the HTML files, Software Components (including their source code) and Graphic Elements, the whole on appropriate media (hereinafter collectively referred to as the "Web Folder");
- f) upon signing by the Client of a detailed acknowledgement of receipt, to return the information elements, as described in the Specifications (hereinafter referred to as the "Information Elements"), to the Client; and
- g) to provide all other services contemplated in this Agreement or in the Specifications.

**03 2.02 Deadline for Providing the Services**

As of the moment the Client has provided the Developer with the Information Elements, and subject to all additional services required by the Client after the signing of this Agreement, the Developer's deadline for providing the Services shall be the deadline set forth in the Specifications or any other deadline agreed upon between the Parties after the signing of this Agreement.

**3.00 CONSIDERATION**

**04 3.01 Price of the Services**

In consideration for the Services, the Client shall pay to the Developer the price set forth in the Specifications, together with all applicable taxes.

**3.02 Performance Bonus**

The Developer shall be entitled to the performance bonus set forth in the Specifications if the Developer abides by each and every one of the conditions attaching to the granting of the bonus. In such a case, the said performance bonus shall be considered to form an integral part of the price of the Services.

**3.03 Expenses Incurred**

In addition to payment of the price of the Services, the Client shall reimburse the following to the Developer:

- a) all direct and indirect expenses incurred with respect to the performance of this Agreement;
- b) supervision and management fees equal to ..... percent (.....%) of the total of the
